

# VEENU SATHEESAN

SOFTWARE ENGINEER - INTERN

veenusatheesan@gmail.com | +94 754733571 | <https://github.com/VEENUSATHEESAN> | [www.linkedin.com/in/veenu-satheesan](http://www.linkedin.com/in/veenu-satheesan)

SUMMARY	Proactive and achievement-driven BICT (Hons) undergraduate with a solid foundation in software development, specializing in the MERN stack (MongoDB, Express.js, React.js, Node.js). Skilled in database management, full-stack development, and responsive web design. Proven ability to design and deploy robust applications through academic projects. Seeking an opportunity as a Software Engineer Intern to apply my technical skills and contribute to innovative projects in the software development industry.
